- 01/27/12 (8-12 Noon) Richardson, TX — Soares Grounding and Bonding
- 02/24/12 (8-12 Noon) Richardson, TX — Electrical Service Requirements
- 03/16/12 (8-12 Noon) Richardson, TX — 1 & 2 Family Dwelling Electrical Systems

**Fee includes:** authoritative IAEI textbook (*not* the NEC) or PowerPoint® handout, UL White Book, all necessary class materials, pens, pencils, workbooks, and evaluations for seminar assessment by attendees. A certificate of continuing education units will be awarded upon completion of all eligible portions of the seminar. CEUs are awards for renewal of inspector and electrical license renewals in many states.

**IAEI Seminars**

IAEI seminars are a must for those who seek to stay informed and at the top of the electrical industry. All attendees will increase their understanding and knowledge of the various requirements in the NEC, with an emphasis on the subject matter education being presented. Completely revised to the current edition of the NEC, all IAEI subject matter is based on nationally recognized, authoritative text, and clearly explains requirements in full color illustrations, photographs of actual installations, and text.

**IAEI Learning Outcomes:**

After taking an IAEI course, the participant should be able to:

- Have developed an essential basic understanding of the NEC subject matter
- Know the fundamentals of the subject matter being presented and how to best apply the requirements and knowledge gained in everyday practice, to ensure electrical safety.
- Enhance the participants overall knowledge of the NEC subject matter.

**Cancellation Policy:** A full refund is available if IAEI receives written notification of your cancellation at least five business days prior to the seminar.

**Schedule:**

7:30 A.M. – 8 A.M. Registration/Check-in

**Length of Seminar(s)** 4 Hr. Seminars: A.M.: 8 A.M. – 12 breaks included.
