Annual Conference and Code Seminar  
May 1-3, 1991  
Paper Valley Hotel, Appleton

Enclosed are copies of the Official Minutes of our 1991 Annual Meeting business session, Chapter Activities Bulletin of the conference and Annual Meeting Financial Report.

Note that we ended up with a net meeting loss \$1,300.92. The major cost increases seem to be in the coffee breaks and cocktails. We may have to consider some cutbacks or increase registration fees. One area may be to consider dropping the band and dancing from our banquet. Very few other Chapters still have a band and dancing. We also could cut back from three to two drink tickets and reduce the Wednesday evening hors d'oeuvres. Again, very few other Chapters have such an activity. In some cases, Chapters themselves have a Chapter hospitality room on the opening evening. They obviously can provide drinks and a few snacks for considerably less money. These are items for discussion at our fall Executive Committee meeting.

Our pre-registration procedure continues to work out very well. We will continue with this arrangement.

Have a good summer and I look forward to seeing all of you at our Fall Executive Committee meeting early in December.
