MARCH 1992

1992 WISCONSIN CHAPTER ANNUAL CODE SEMINAR

ADVANCE REGISTRATION REQUESTED

Plan now to attend the 1992 Wisconsin Chapter Annual Code Seminar to be held on May 13-15, 1992 at the Midway Motor Lodge in La Crosse, Wisconsin.

A major portion of the program will be a code panel reviewing questions on the 1990 NEC and Wisconsin State Electrical Code. We expect several national code experts to be in attendance and serve on the panel. Please send your code questions to Ed Lawry at the above listed address by April 15 so that we can mail them to the panel members prior to the meeting.

We also plan on highlighting some of the major changes that will be in the 1993 NEC. Don Nissen of UL will be attending to keep us up to date on News From UL.

Bob Kachel, La Crosse Electrical Inspector, has been organizing the local arrangements and planning an entertaining ladies program including a Thursday luncheon cruise on the La Crosse Queen.

We request that you REGISTER IN ADVANCE on the enclosed form. Please complete and return to Ed Lawry by May 1 to take advantage of the advanced registration fee. NOTE: Registering in advance will save you \$15.00 each for member and spouse. A program will be mailed to you in April.

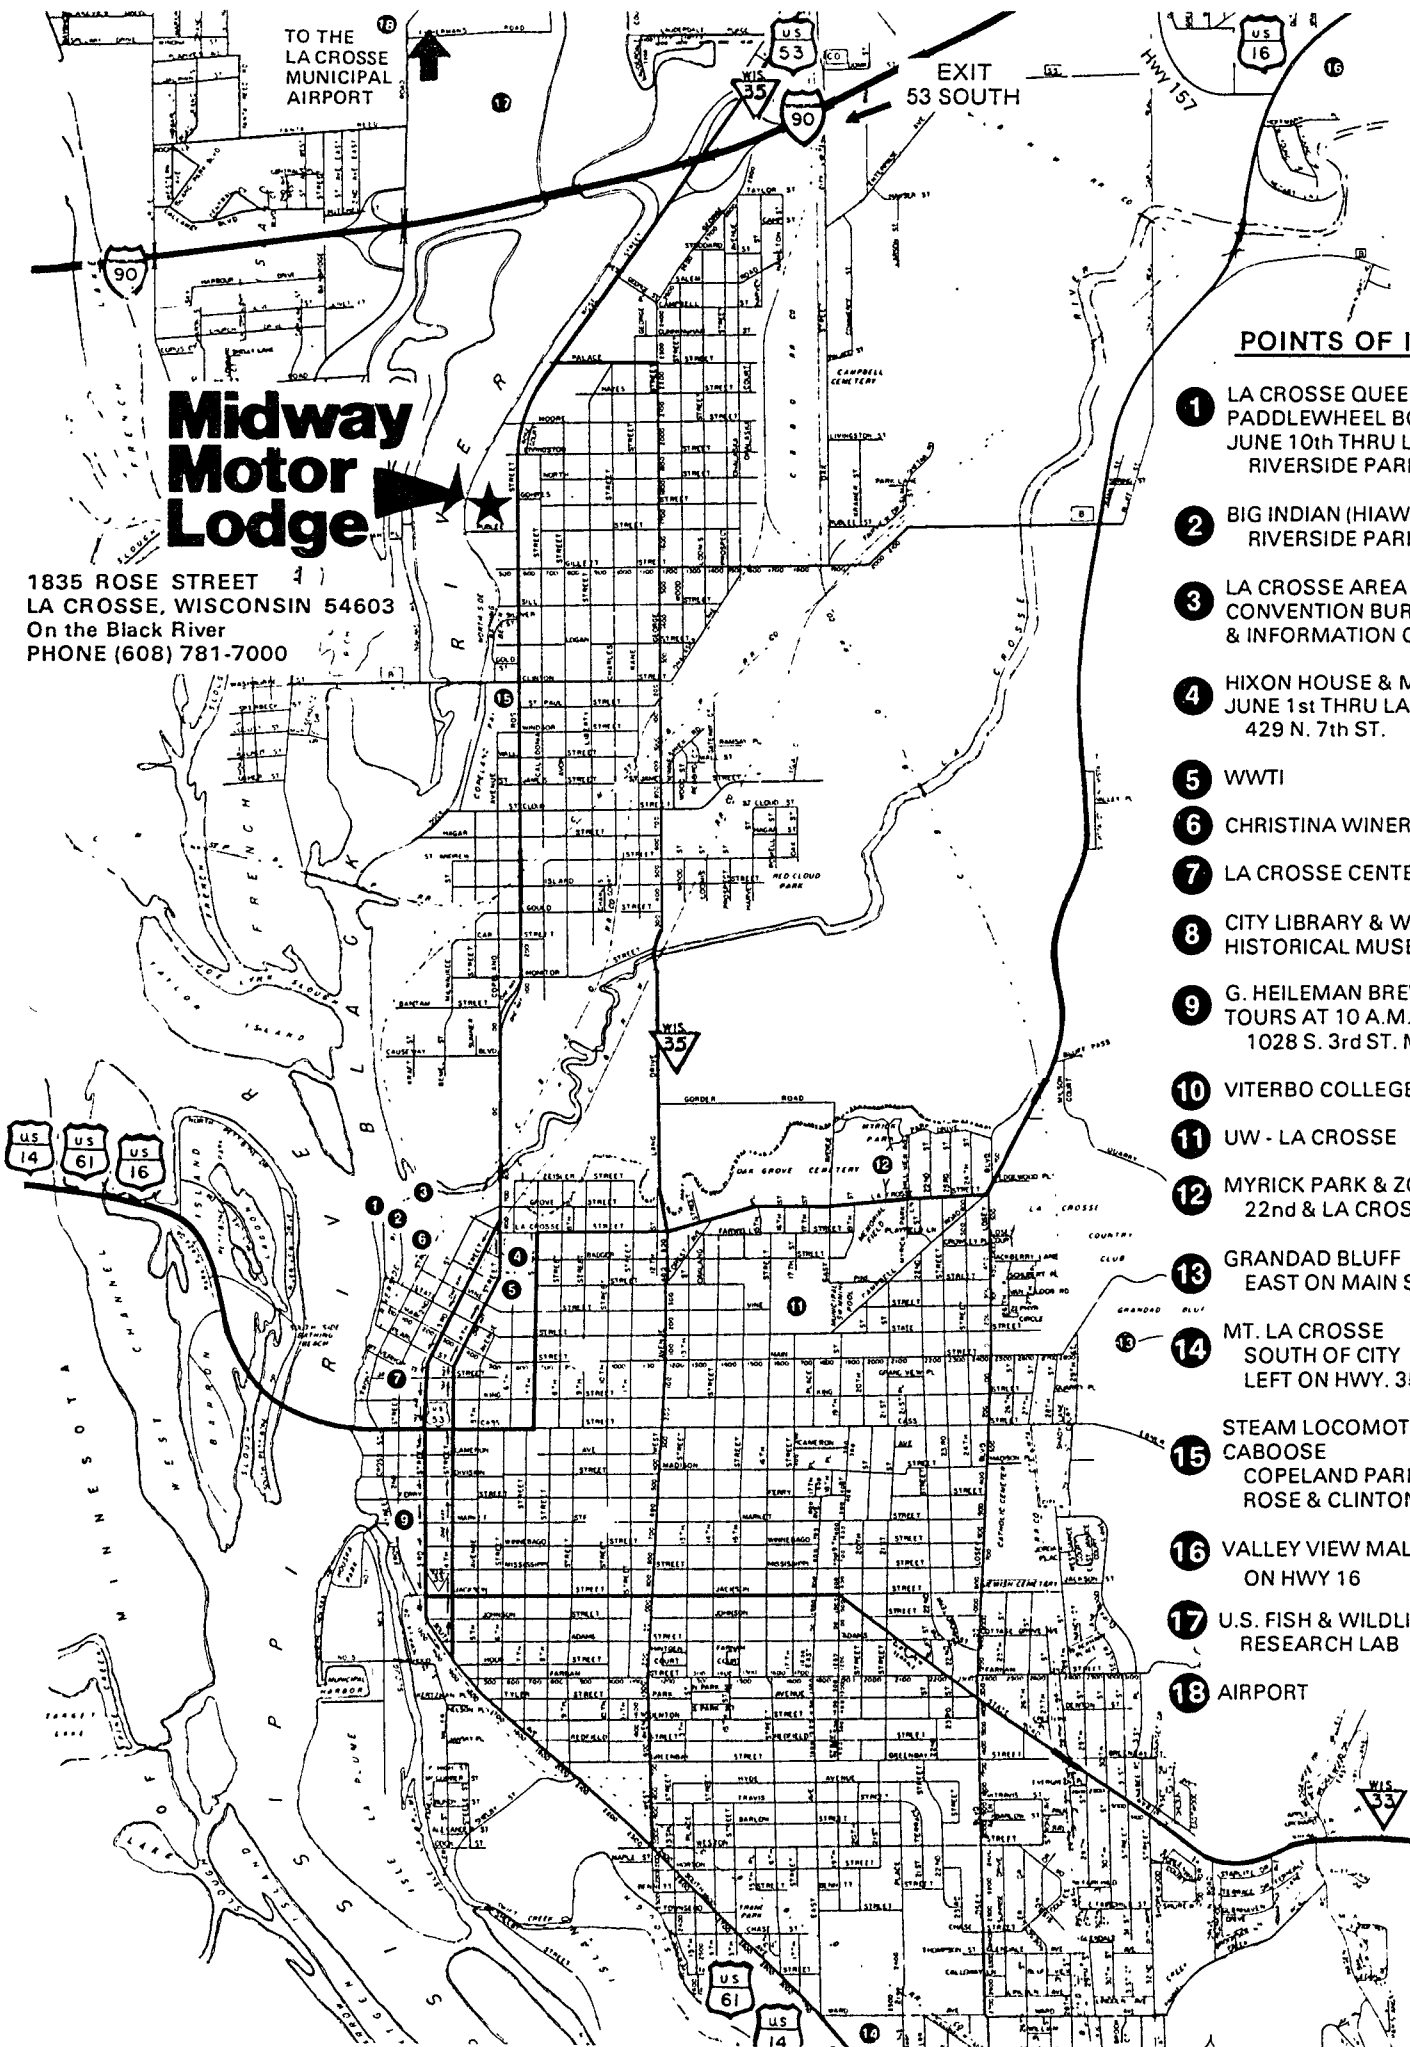

The meeting registration will begin at 9:30 am on Wednesday, May 13 with the meeting convening at 11:00 am.

Be sure to reserve your Midway Motor lodge room reservation by detaching the lower portion of the enclosed registration form and forwarding it directly to the Midway Motor Lodge. Rooms at the Midway Motor Lodge are somewhat limited this year. If you have a problem getting a room at the Midway, there are 2 motels directly across the street from the Midway. They are the Brookstone Inn (Phone No. 608-781-1400) and the Night Saver Inn (Phone No. 608-781-0200).

The Midway Motor Lodge is located just south of I-90 on the north side of La Crosse. Enclosed is a map of La Crosse for your convenience.
