1993 WISCONSIN CHAPTER CODE SEMINAR

ADVANCE REGISTRATION REQUESTED

Plan now to attend the 1993 Wisconsin Chapter Annual Code Seminar to be held on May 12-14, 1993 at the Sheraton Inn Mayfair in Wauwatosa, Wisconsin.

The major emphasis of the program will be a review of the major changes in the 1993 NEC. The IAEI "Analysis of the NEC 1993 Code" will be the basis for the review. If you already have a copy of this book be sure to bring it with to the Seminar along with your copy of the NEC and ILHR 16. If you do not have a copy of the IAEI "ANALYSIS" and wish to purchase it, you may order one or more with your Seminar registration on the enclosed Registration Form.

Another major portion of the program will be a Code Panel reviewing questions on the NEC and Wisconsin State Electrical Code - ILHR 16. An outstanding list of national code experts will be in attendance and serve on the panel to discuss and answer the questions as well as commenting on the Major NEC changes. See enclosed Tentative Program. **Please send your code questions to Ed Lawry at the above listed address by April 15 so that we can mail them to the panel members prior to the meeting.**

We are pleased that the Mark Shapiro, Western Section IAEI President, Electrical Inspector for Madison, Heights, MI and member of CMP-11 will be joining us and in addition to serving on the Code Panel will give a presentation on "Ampacity".

John Schwab, Wauwatosa Electrical Inspector, has been organizing the local arrangements and planning an entertaining ladies program including a Thursday luncheon cruise on Lake Michigan.

We request that you REGISTER IN ADVANCE on the enclosed form. Please complete and return to Ed Lawry by May 1 to take advantage of the advanced registration fee. NOTE: Registering in advance will save you \$20.00 for a member and \$15.00 for a spouse.

The meeting registration will begin at 9:30 am on Wednesday, May 12 with the meeting convening at 10:30 am.
