

WISCONSIN CHAPTER --- INTERNATIONAL ASSOCIATION  
OF  
ELECTRICAL INSPECTORS

NEWS BULLETIN

December 17th, 1976

The 1977 Annual Meeting and Code Seminar of the WISCONSIN CHAPTER of I.A.E.I. will be held May 4th, 5th and 6th at the EAU CLAIRE HILTON INN & CIVIC CENTER. Discussions will revolve around the anticipated changes to be made in the 1978 NATIONAL ELECTRICAL CODE. An exceptionally talented and knowledgeable panel of National Code authorities has been selected to lead the review of the new CODE.

The Executive Committee has decided to hold registration fees and the banquet charge to the same level as last year despite increased costs. This is being accomplished through the elimination of some of the expenses normally associated with the Annual Meeting.

Attendance at recent meetings has been growing, and we believe the 1977 Annual Meeting will produce a record attendance. The Review of the proposed 1978 NATIONAL ELECTRICAL CODE is of great interest not only to electrical inspectors but to others in the electrical field as well, and we hope you will find the time to join us.

We continue to limit our request for contributions to a maximum of \$25.00, and as usual we will list all contributors in the printed program.

The success of the past Annual Meetings has been directly related to the financial help of the Chapter's many loyal FRIENDS. We look to you to assist us in making the 1977 Annual Meeting successful.

Please mail your contributions directly to:

Ray Miller, Secretary-Treasurer  
Wisconsin Chapter I.A.E.I.  
257 East Follett Street  
Fond du Lac, Wisconsin 54935

May we extend Season's Greetings and Best Wishes to you for the New Year.

Yours very truly,

FINANCE COMMITTEE

Russell Beckerman  
Jerry Lemberg
