## I. 1992 Wisconsin Chapter Annual Code Seminar Code Questions

Attached is a copy of the electrical code questions and answers presented at the 1992 Wisconsin Chapter meeting held on May 13-15, 1992 in La Crosse, Wisconsin.

The answers to the questions were reviewed by Ed Lawry and Joe Hertel.

## II. Joseph A. Hertel appointed new DILHR Supv. Electrical Engineer

Joseph A. Hertel was recently appointed as the new Supervising Electrical Engineer for the Safety & Building's Division of DILHR. Joe had been employed as S & B's Senior Electrical Engineer before his promotion. He replaces Ed Lawry who retired earlier in the year. Ed currently is active with the IAEI as Wisconsin Chapter Secretary, Western Section Secretary and Field Representative, and IAEI Seminar Instructor.

## III. IAEI's 1993 NEC Analysis Seminars.

The IAEI has planned a series of Seminars on the changes in the 1993 NEC. Two Seminars are scheduled to be held in Milwaukee, Wisconsin. They will be conducted on Thursday, January 28 and Saturday, January 30, 1992. Both Seminars will be identical so have your choice of attending on a Thursday or Saturday. The registration form is on page 42 of your July/August issue of the IAEI NEWS. Additional information will be forthcoming from the IAEI. Registration forms also will be available from Ed Lawry at the above address and phone No. or DILHR's Electrical Unit at 608-266-3064.

Attendance at either of these Seminars will be recognized by DILHR for recertification as a Commercial or UDC Electrical Inspector.

Ed Lawry and Phil Cox are currently scheduled to conduct these Seminars.
