NEWS BULLETIN

A. 1983 WISCONSIN CHAPTER ANNUAL CODE SEMINAR

Enclosed is a copy of the questions and answers discussed at our 1983 Code Seminar. Also enclosed is the Certificate of Completion for those who attended the seminar.

B. 1984 WISCONSIN CHAPTER ANNUAL CODE SEMINAR

The chapter members decided to hold our 1984 Seminar in La Crosse. Unfortunately, we could not arrange a meeting there because of conflicts with other associations who already had reserved the facilities.

We have now scheduled our 1984 Annual Code Seminar at the Holiday Inn in Eau Claire on May 9-11, 1984.

C. IAEI SEMINAR ON 1984 NEC

The IAEI is conducting a series of seminars around the country to discuss the changes in the 1984 National Electrical Code. One will be held on October 29, 1983 at the Ramada Inn Airport in Milwaukee.

More information will be forthcoming in the next IAEI News. We would appreciate your support for our Association's seminar. Be sure to attend this one if you plan to attend any special seminars on the 1984 NEC changes.
