Annual Wisconsin Chapter Code Seminar April 26-28, 1978

Our Association's 1978 Code Seminar will be held at the Red Carpet Expo and Motel complex in Milwaukee. This facility is at 4767 South Howell Avenue, across from the Milwaukee airport (General Mitchell Field).

This year's meeting will be held in conjunction with the 1978 ELECTRICAL EXPO OF WISCONSIN. Attached find an EXPO bulletin which also includes our chapter program.

Your IAIEI registration fee will cover all scheduled events except the Wednesday noon Kick-Off Luncheon. The enclosed EME activity card is not for IAIEI registrants except to sign up for the Kick-Off Luncheon. If you wish to attend this Wednesday luncheon, please use this card to pre-order your tickets. The enclosed show admission tickets should be brought with you but will only be used for door prize drawings.

Please register at the Red Carpet Lobby beginning at 11:00 a. m. on Wednesday, April 26. We have received a couple of pre-registrations but prefer not to have advanced registration.

Be sure to send in your room reservation card immediately if you plan to stay at the Red Carpet. There is another large convention in town on those dates and rooms may be scarce.

There have been numerous articles published in national magazines relative to changes in the 1978 NEC. Enclosed is another bulletin which is similar but may still be of interest.

The entire Thursday session will be a Code Seminar with several national code authorities. In order to be successful, we need your code questions or problems to submit to the panel members prior to the seminar. Submit your questions to Ed Lawry on the enclosed form by April 1.
