52nd Annual Meeting and Code Seminar
May 4, 5, 6, 1977

This year our Association will meet in downtown Eau Claire, at the Hilton Inn, with our Code Seminar and meeting to be held in the adjoining Civic Center. Parking is in the ramp, which is part of this complex, all of which is fairly new.

The program is certainly noteworthy and will give us a preview of what is coming up in the 1978 Electrical Code. The Code panel of course will answer Code questions on the current Electrical Code.

Code questions are desired early so Ed can get them printed. Please take advantage of this question and answer method and send us a question or two.

The registration fee is the same as last year; that is \$30.00 for husband and wife or \$20.00 for a single registration. This includes a Welcome Hour, Men's and Ladies' luncheon, Ladies' Tour, Hospitality Hour, Banquet and Entertainment. You'll have to agree--the price is right.

Enclosed is your room reservation card, information about the Hilton Inn, and the Resolutions Committee report at last year's meeting. The Officers and Executive Committee hope as many as possible can make this code seminar and take advantage of our educational program.

Ray H. Miller, Sec'y
