

CITY OF WISCONSIN RAPIDS

CODE ENFORCEMENT DEPARTMENT
OFFICE OF THE ELECTRICAL INSPECTOR

444 WEST GRAND AVENUE
ROOM 204

RAYMOND W. WEBER

PHONE (715) 421-8226

January 5, 1982

Dear I.A.E.I. Member:

This letter is to express my sincere welcome to this beautiful City of Wisconsin Rapids for the Wisconsin Chapter meeting of the Western Section of I.A.E.I. We have a firm conviction here that there are in fact; no strangers, only friends that we have not yet met. Our area offers many fine restaurants, shopping centers as well as many other activities in which you may be interested in partaking. I urge you to make your reservation early and plan to attend a most interesting and informative electrical code session. The Mead Inn is new and unique; they are looking forward to meeting your every need.

As I am sure you are well aware, the Electrical Inspector of the 1980's needs to be well informed on the many specialized areas of concern covered by our ever changing code. The objective of this years program is an attempt to up date you and provide informative high lights on sections of the code that may not be common to all. The program and panel members are of the highest caliber.

Should you have any specific questions that I can be of personal help to you, please contact me in writing: Electrical Inspector, City of Wisconsin Rapids, 444 West Grand Avenue, Wisconsin Rapids, WI 54494 or Phone (715) 421-8226. My wife, Donna and my Secretary, Mary Pavloski as well as myself will be eager to assist you.

The ladies program is shaping up nicely and will, I feel, provide a pleasurable experience. Money is scarce, times are hard so fill out your registration card and we will promise you will get \$1.10 worth by attending this session. May 5, 6 and 7, 1982 is not that far away. An early return will be greatly appreciated.

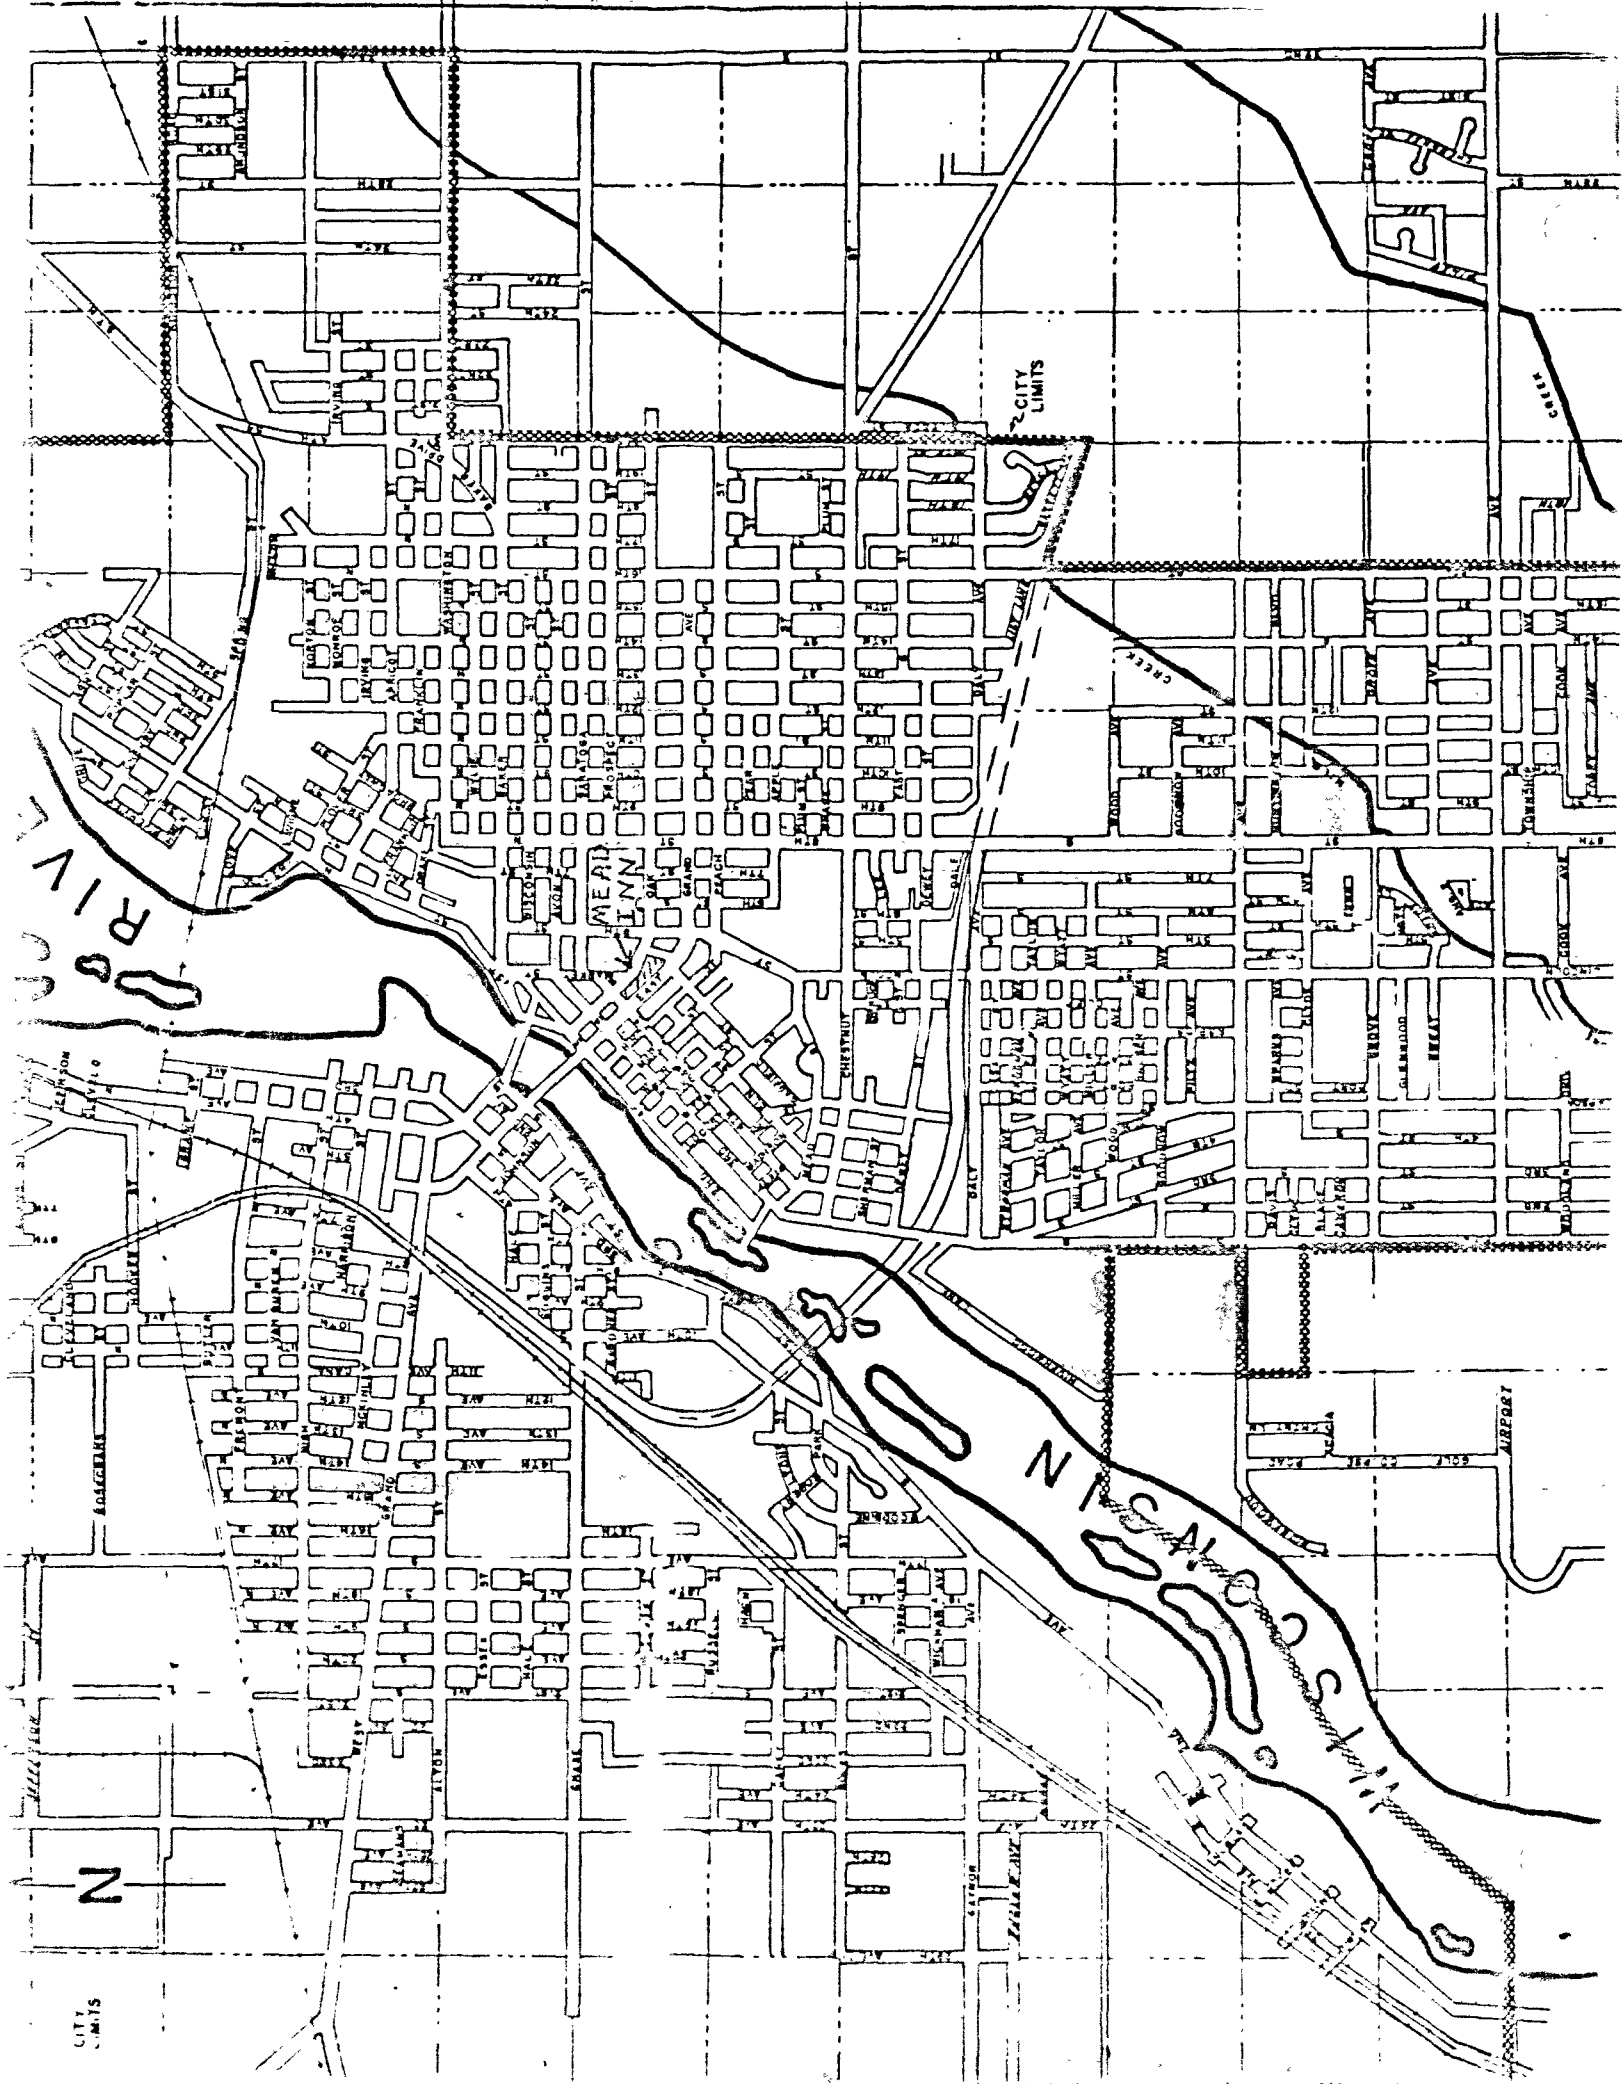

The Mead Inn is centrally located and close to numerous points of interest as depicted in the city map on the back side of this correspondence.

Very truly yours,

Raymond W. Weber
