I. Ed Lawry Resigns as Wisconsin Chapter Secretary/Treasurer

I have recently been appointed to the NFPA Standards Council and NEC Correlating Committee. As a result of these commitments, I will not be able to properly fulfill the duties of the position of Secretary/Treasurer of the Wisconsin Chapter - IAEI. Consequently, I have submitted my resignation from this position, effective February 8, 1994. It has been my pleasure to serve you in this capacity from 1963-68 and 1977 to the present for a total of 22 years.

I expect to continue participating in Wisconsin Chapter activities and contributing as much as time will permit. Although I will miss our 1994 meeting, I plan to attend future meetings and look forward to seeing you whenever possible.

II. Joe Hertel appointed new Wisconsin Chapter Secretary/Treasurer

Chapter Chairman Les Stueber with the unanimous approval of the Wisconsin Chapter Executive Committee has appointed Joseph A. Hertel to complete Ed Lawry's unexpired term of office as Chapter Secretary/Treasurer. Joe is the Supervising Electrical Engineer for the Safety & Building's Division of DILHR. I am confident that Joe will do an excellent job in continuing and expanding the educational activities of the Wisconsin Chapter.
