Friends of I.A.E.I.

Members of the Wisconsin Chapter of the International Association of Electrical Inspectors (I.A.E.I.) will hold their 53rd annual meeting at the Red Carpet Inn (South Howell Avenue, Milwaukee, Wisconsin) on April 26, 27, and 28 of 1978.

This meeting will be held in conjunction with the E.M.E. convention for the first time and will provide three full days of worthwhile participation and instruction.

The '78 code, which produced many changes, will be discussed all three days with a very distinguished code panel in attendance.

Many of our friends in the past have made a cash contribution to defray the expenses of this program. If you are so inclined, please mail your contribution to:

Mr. Ray H. Miller

The finance committee of the Wisconsin Chapter appreciates your help.

Sincerely,
