Dear Mary:

The Wisconsin Chapter - International Association of Electrical Inspectors in its business session on Friday, April 28, 1978 unanimously approved the following resolution and requested that it be sent to you.

Resolution #1

James P. O'Brien, electrical inspector for 19 years for the City of Eau Claire, a past chairman of the Wisconsin Chapter of the IAIEI, a past host for our annual chapter meetings, died on April 21, 1978. Jim had many friends among us.

Be it resolved that our records show that at the beginning of our meeting, we paused and stood in silence for a time in his honor and in sympathy for his family and close ones.

Sincerely,

Edward C. Lawry  
Secretary-Treasurer  
Wisconsin Chapter - IAIEI
