

May 27, 1993

Mr. Edward C. Lawry
Secretary/Treasurer
Wisconsin Chapter I.A.E.I.
P. O. Box 2208
Madison WI 53701-2208

Dear Ed,

I am in receipt of your letter dated May 24, 1993. I apologize and deeply regret the fact that I did not let you know ahead of time that I would not be able to attend this years seminar in Wauwatosa.

As you may or may not know I have switched employers. Marv and I had both been cleared to attend this meeting but my 2 week notice was within the time frame for going to Wauwatosa. I was hoping that I would still be able to attend at least the first day of the seminar but things got a little too hectic for me to try to push for any time off during my last week.

My new position with Independent Inspections Limited will give me an opportunity to make more electrical inspections, especially in the commercial area which I look forward to. I personally feel that my exposure to the people in the Association have been of great benefit to me in understanding and interpreting the N.E.C. and with my new employers blessing I will do to my best to attend as many meetings and seminars as possible.

I thank you and all the members of the Executive Committee for the opportunity to be a "cog in the wheel" of such a fine organization.

Sincerely,

Ronald M. Schmitt

Would you please change my address to 3204 Parkway Blvd., Two Rivers, WI. 54241 Thanks!
